

This Sunday we will be celebrating the Lord's Supper together as a church family. It's a time to remember who we belong to- the one who unites us together as a people, redeemed by the precious blood of Jesus.. We will celebrate at the 8:30 outdoor service as well as the 9:30 indoor worship service, both in-person and remotely.

For those who will worship remotely, please have the elements prepared and ready to join us for communion during the service.

For those worshipping in person, an elder will serve the communion elements to you as you come into worship. Please keep these elements until the time of the worship service where we will eat and drink the meal together. An elder will serve you a single, pre-prepared package containing a wafer and juice, which you will open individually.

Celebrating the Lord's Supper together is a part of our life together as believers. This is one way we can share the meal safely and consider the body of Christ as we gather together.

See you Sunday!

Jonathan
